Each session features our two award-winning devices to personalize your experience and visibly rejuvenate your skin.

SERENU™ PROFESSIONAL LUMISPA® iO

This powerful yet gentle device deeply cleanses your skin and lifts away dirt, oil, makeup, pollutants, and toxins without irritation. It also helps visibly improve skin brightness and texture.

SERENU™ PROFESSIONAL GALVANIC SPA

Smart technology auto adjusts right when your session starts. Then, the galvanic currents help transport the skin-beneficial ingredients in the serum to your skin to visibly rejuvenate your complexion and deliver a youthful glow.

Products

Inspired by nature and India's treasured traditional ingredients and formulated for targeted benefits, these powerful products help enhance and extend the benefits of your spa session.

LUMISPA CLEANSER

Indulge in a luxurious deep cleansing session. As it gently removes makeup and debris, this powerful formula delivers a burst of hydration for gorgeous skin that feels smooth and supple.

BRIGHTENING SERUM

Unleash a noticeably brighter, youthful glow. This multitasking serum hydrates and nourishes skin for a smoother, plumper look while reducing the appearance of fine lines.

BRIGHTENING TONER

Set the tone for beautiful skin. This toner gently exfoliates dead skin cells as it unclogs pores and reduces the occurrence of blackheads, whiteheads, and spots. All for skin that feels smoother, softer, and more refined.

PH BALANCE TONER

A beautiful complexion requires balance. This toner brings skin back to its ideal pH level while providing a burst of hydration and helping soothe and calm skin by reducing visible redness.

CLAY MASK

A visibly radiant glow is just 10 minutes away. This multitasking mask uses tiny dissolvable beads to gently exfoliate while absorbing excess oil and drawing out impurities, improving skin texture, tone, and clarity.

GEL CREAM

Enhance skin's radiance with this lightweight moisturizer that delivers deep hydration as it calms and soothes. Enjoy skin that stays visibly plump and moisturized throughout the day.
